RE:RFAI Reference Number C00521427

Dear Ms. Benitz:

This letter is in response to the Request for Additional Information, dated August 20 2013 (RFAI) regarding the Committee's Mid-Year Report and the disputed debt listed on Schedule D.

The RFAI requests that the Committee provide additional information regarding the amount of the debt to which the Committee admits owing Craft DC, and the amount, if any, paid on the portion of the debt the Committee admits to owing Craft DC.

As discussed on August 21, 2013, in a telephone conversation with Shannon O'Leary of Gober Hilgers PLLC, the Committee files this Misc 99 to provide this information. Additionally, the Committee has amended its Mid-Year Report to reflect the information contained in this response to the RFAI.

The statements related to the disputed debts to Craft DC listed on Schedule D of the Mid-Year Report are revised and expanded as follows:

With respect to the disputed debt (Transaction ID: SD10.4346), the amount reported of \$6000 is the amount that the creditor, Craft DC, states that the Committee owes. Disclosure of debt is not an admission of amount owed. The amount of debt is disputed in full and the Committee does not admit to owing any funds to Craft DC. The Committee paid \$1000 to Craft DC on 1/22/2013 related to this debt and has amended its Mid-Year Report to accurately attribute the payment to the related Schedule D transaction. As of the filing of this statement, the Committee has not paid any additional funds to Craft DC for the \$6000 that is disputed. Except for the 1/22/2013 payment, no other expenditure to Craft DC reported on Schedule B, Line 21b of this report and other reports previously filed with the Commission were payments toward the disputed debt.

With respect to the disputed debt (Transaction ID: SD10.4190), the amount reported of \$15000 is the amount that the creditor, Craft DC, states that the Committee owes. Disclosure of debt is not an admission of amount owed. The amount of debt is disputed in full and the Committee does not admit to owing any funds to Craft DC. As of the filing of this statement, the Committee has not paid any funds to Craft DC for the \$15000 debt that is disputed. None of the expenditures to Craft DC reported on Schedule B, Line 21b of this report and other reports previously filed with the Commission were payments toward the disputed debt.

I hope this statement provides an adequate response to the information the Commission is seeking. Please do not hesitate to contact me if you have any questions or need additional information regarding the disputed debt with Craft DC.

Sincerely,
Brian J. Wise
